

LEARN TO GIVE A MASSAGE

○ You can learn the beneficial skills of massage at home. It is relaxing and enjoyable, and could even be profitable. Our course is written for the absolute beginner, and covers not only basic massage but also the related skills of Reflexology and Shiatsu. You will learn enough to give a full body massage, and you will acquire a good foundation if subsequently you wish to go on to advanced courses.

Massage was known to the Ancient Egyptians, and was used in the times of the Greeks and Romans for healing and relaxation. Its therapeutic qualities were re-discovered in Sweden in the 19th Century. Modern massage unites Swedish and traditional eastern practices.
