➤ **COURSEWORK:** Here you can set your own question! Unit 4 is an historical enquiry in which you research and write up your solution to a chosen question. You write a **two-part essay**, each part of approximately 2000 words. In **Part A** you focus on the short-term aspects of your question (up to about 20 years) and in **Part B** you look at the longer term (up to about 100 years). We offer many suggested topics from which you can choose. Your Tutor will assist you at the preparatory stage, in which you select a topic and decide the question that you will research and answer. Your Tutor will also help by reviewing and commenting on your selection of source material. Edexcel does not permit your Tutor to assess and return your essays to you for revision before submitting them for examination and so it is important to plan your essays carefully before you begin to write them. Finally, your Tutor will mark your essays which we will forward to your chosen examination centre. Full guidance on preparing and submitting your coursework is given in our Unit 4 course.

Combined AS & A2 Course: £325
